

This week we are going to be making our own headdresses using all the materials we have collected over the past week. Hopefully, you have found some interesting items to use.

Here are a few ideas - crisp packets, old jigsaw puzzle pieces, flowers (don't pick them, only use them if you find them on the ground!) leaves and twigs. You can adapt all these ideas to make your headdress.

Remember to wash any items you find thoroughly!

Below you can find a step by step link on how to create the head band. Go onto this before you start decorating.

Please send us photos of your completed headdress. We would love to see them! We will put as many of them onto the celebrating home learning page on our website as possible.

Enjoy creating!
